

# KNOXVILLE LANDSCAPE SUPPLY

Let us make it easy on you. Call to place your order and we'll schedule a delivery within a few business days.

Delivery is \$85 within a ten mile radius of our office, plus \$1.50 for each additional mile. **(865) 348-0197**

*\*Product pricing and delivery fee subject to change*

## NEW BULK NURSERY POTS

- 1/2 gallon; \$20.00 per 100
- 1 gallon; \$20.00 per 100
- 3 gallon; \$20 per 50
- 7 gallon; \$1 per pot
- 10 gallon; \$1.50 per pot
- 15 gallon; \$5.00 per pot
- 30 gallon; \$8.00 per pot

*\$75 minimum on pot orders; delivery available for an additional fee*

## Natural Brown or Dyed Black Hardwood Bark Mulch

**\$34.50/cubic yard**

We offer quality mulch made from the bark of hardwood trees. This is the good stuff!

## Newport Pea Gravel

**\$98/ton**

3/4" size is used as a ground cover in planting beds, or as a surface for patios, walkways, terraces, and driveways (including tar-and-chip).

## River Rock

**\$119/ton**

3/4-1.5" or 2-5" river stone is used as a border or ground cover in planting beds and in drainage areas.

*6-12" river rock may be available for special order; please inquire for pricing and details.*

## Garden Soil (mixed to order)

*\$75/cubic yard*

Specially formulated mix of organic additives and graded soil. Perfect as a top dressing or additive for vegetable and flower gardens, as well as potted plants.

## Topsoil (screened)

*\$55/cubic yard*

Topsoil is an ideal substrate for planting grass seed on a new lawn. We recommend a 1-2" thick layer on top of the existing soil. It's also perfect for backfilling new plants or amending clay soil.

## Mushroom Compost

*\$46.50/cubic yard*

Mushroom compost is an affordable soil conditioner that can be used to help improve clay consistency.

**TEMPORARILY SOLD OUT**

Let us help estimate the right quantities for your project.

## Paver Bedding Sand

*Call for Pricing*

Fine limestone gravel that can be evenly compacted. Often used for laying perfectly level patios.

## Crusher Run

*Call for Pricing*

Crusher run is a blend of coarse and fine aggregate that can be finely compacted and is often used as a base layer under driveways, patios, and pathways.

## #57 Stone

*Call for Pricing*

#57 stone is used as a base layer under concrete, for driveways or landscaping paths, and as a drain stone behind retaining walls and French drains. Average stone size is 3/4".
